To whom it may concern:

It was our pleasure this summer to work with Ms Sarah Grosse in the "College Works" painting program. In the 24 years we have lived here, we have never hired anyone doing door to door solicitation. Sarah was so engaging and bright that we decided to make an exception.

In spite of the heavy work load and many issues that I know came her way this summer completing this challenging position, she made sure every detail was tended to on our project. She pitched right in and did much of the work herself on our deck. We couldn't be happier with her and the results!

Sarah is an outstanding young woman and has what it takes to be a success at whatever she chooses. My husband and I wish her all the best in what I am sure will be a wonderful life!

Sincerely,
